

**Yukti Multimedia P. Ltd.**

**We**  
**Transform**  
**Work Places**

What Differentiates us & puts us as best in the league:

**We,**

deliver the promises;

don't believe in performing different things  
rather perform things differently & intuitively;

phase out & work to the microscopic detail

set Quality benchmarks; and never  
compromise

# ABOUT US

**YUKTI MULTIMEDIA PVT. LTD.** targeting Structural, Civil and Interior sectors came into existence in 2005 at New Delhi, India as a Pvt. Ltd. Venture which makes us a seasoned and honed veteran in the market. We have a team of highly qualified, experienced technical professionals who have made Yukti Multimedia a dedicated institution rendering quality services to the most complex subjects.

We have state-of-the-art equipment which is augmented as per needs of specific jobs/assignments.

Strong team forms the basis of our growth and success. Our TEAM HAVE ENGINEERS & ARCHITECTS who have an edge in market have worked upon all asset classes from Hospitality, Commercial Spaces, Residential & lifestyle spaces.

We feel blessed with the presence of skilled, experienced and hardworking workforce right from Engineers, Architects to craftsmen and laborers.

The people at organization possess a high degree of excellence and expertise in their specific domains.

The company offers a hygienic work environment and utilizes infrastructural facilities to accomplish varied organizational goals and product development with various sister organizations namely The Engineering & Management Distrikt, The Contractors.
